Finishing:

Make 3 tassels using yarn B.

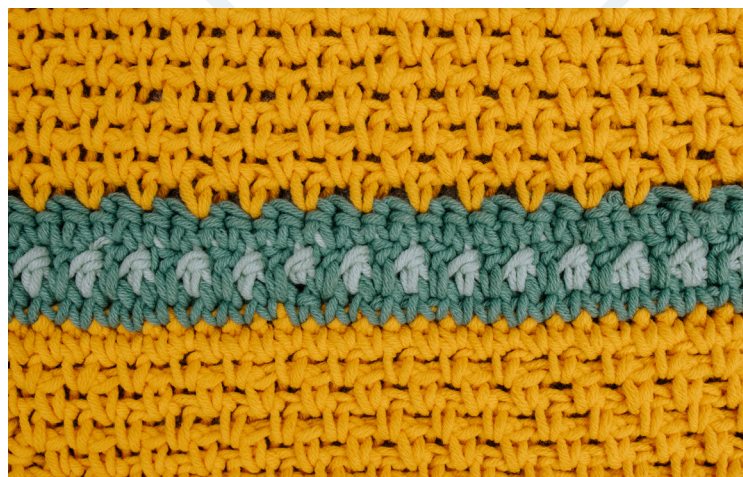

Cut 15 strands per tassel with a length of approx. 20cm. Fold the 15 strands in half around a strand and tie a tight double knot using that strand. You will use this strand to attach the tassel to the shawl later.

At about 2cm from the strand, tie a second thread around your tassel and tie it tightly. Then cut the tassel to the desired length.

Secure the tassels on the three points to the shawl.
